

CITY OF WHITTIER BOAT HARBOR, ALASKA
Request for Proposal
Replace Two (2) Damaged Pilings & Repair West Gangway

The City of Whittier Boat Harbor, Alaska is seeking a qualified firm to remove and properly dispose of the remaining piece of underwater wood piling at west end of boat slip Bravo-11/13 and remove and dispose the wood piling at the west end of boat slip Bravo-15/17. Install two (2) new steel 80-foot long, 18 inch diameter steel poles in the same place as the original wood poles at the west end of boat slip B-11/13 and boat slip B-15/17. Repair the West Gangway by lifting the lower west end of the gangway with a hydraulic lift. Remove the south side 10-foot long Polyethylene float skid, remove the damaged 10-foot long, 5/8 inch thick, 3 by 3 inch wide "L" shaped steel plate and replace with a new 10-long, 5/8 inch thick 3 by 3 inch wide "L" shaped steel plate. Reuse existing float skid using new thru-bolts fastening the system onto the main pier. Reset the lower west end of the gangway onto the float skid.
