

Civil Project Management Branch
Public Notice

Date: June 27, 2018

Alaska District
U.S. Army Corps of Engineers

The U.S. Army Corps of Engineers, Alaska District, is preparing a Draft Feasibility Report for the following project

**General Investigation Study
Navigation Improvements, Whittier, Alaska**

The proposed project and analysis of potential environmental impacts are described in the draft report, which is being submitted to elicit public review and comment on the Tentatively Selected Plan to construct a 6-lane, rubblemound breakwater protected boat launch with a north entrance channel at the head of Passage Canal.

The report will be available for 30 days from the date of this notice. It may be viewed on the Alaska District's website at: www.poa.usace.army.mil. Click on the Reports and Studies button, look under Documents available for Public Review, then click on the Civil Works link.

Comments may be submitted to the address below or via e-mail to the address below:

U.S. Army Corps of Engineers, Alaska District
ATTN: CEPOA-PM-C-PL
P.O. Box 6898
Joint Base Elmendorf-Richardson, Alaska 99506-0898
